To Plant 878,000 Trees In County This Spring

Chairman W. Henry Allen, Hebron, of the Oxford County Soil Conservation District, announces that some 878,000 trees will be planted in Oxford County this spring. Planting has actually started on the Richard Damon farm in Buckfield. This year's planting is the largest planting program in the thirteen year history of the District.

Six tree planters and planting crews will be in operation over the county. All crews will be under the technical supervision of Wayne Jackson and Toppan Kimball, foresters of the Maine Forest Service. Each planting crew consists of three men. One drives the tractor; one rides the planter and places the trees, the third man checks firmness, spacing distance and relays the man riding the planter.

Some 266,800 white and red pine will be planted in the Bethel, Hanover, Newry, Mason, Gilead, and Greenwood area.

Ulfas Pulkkinen will have charge of the planter in the Bethel area. He will plant 17,400 for Edith Eypner, Bethel; 32,500 for Charles Bartlett, Hanover; 13,200 for Lina Reynolds, Newry; 78,000 for Philip Batchelder, Mason; 24,000 for the Brown Co., Gilead; 1,800 for Mary Selling, Bethel; and 6,200 for Leslie Davis, Greenwood. P. H. Chadbourne, Bethel, will plant 147,500 trees with a Maine Forest Service planter. Eugene Van Den Kerckhoven, Bethel, will plant 1,000, and Oxford Paper Co., East Bethel lot, 1,000 white pine each.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

On March 21st notices were sent to all persons owing 1959 taxes. The notice indicated that personal property and poll taxes not paid by April 15th that legal action would follow.

Tax mortgage liens will be filed at the Registry of Deeds about May 15th to secure unpaid real estate taxes. Prior to filing the lien a ten day notice is sent to each taxpayer giving him an opportunity to settle without being assessed the costs of a tax lien.

A number of delinquent accounts have been settled since the notices were sent out on March 21st. However there are quite a few who have not settled which will result in legal action very soon.

At the close of the books on Dec. 31st there were ten tax liens outstanding for 1957, which were due to expire on March 29th. It is gratifying to note that all ten of these liens have been paid in full, including costs and interest.

As the season for burning rubbish and grass is at hand your attention is called to the requirement that it is necessary to have a permit for burning. The permit may be secured from the Fire Chief or the Town Office.

Sincerely,
Harold L. Bean

CARROLL - MAGOUN

In a double ring ceremony performed by the Rev. Robert H. Heigman at the First Congregational Church, Hanson, Mass., on Saturday afternoon, April 9, Miss Judith Anne Magoun became the bride of Lee Francis Carroll.

Mrs. Carroll is the daughter of Mr. and Mrs. Wilfred T. Magoun of Hanson and Mr. Carroll is the son of Mr. and Mrs. Alton F. Carroll of Bethel.

The bride wore a floor length gown of white embroidered organza with a sabbina neckline and short sleeves. The long fitted bodice gave way to a bouffant skirt fashioned with panels of tiers cascading from the hips to the floor, with chapel length French illusion veil caught up by a crown of orange blossoms. She carried yellow roses and ivy on her white Rainbow Bible.

The maid of honor was Miss Marilyn Magoun of Hanson, sister of the bride. Bridesmaids were cousins of the bride, Misses Sandra and Dianne Van Buskirk of North Weymouth, Mass. The best man was Richard Byrnes of Norwood, Mass., a college classmate of the groom, and ushers were Bartlett Hutchinson of Bethel and John Magoun of Hanson, brother of the bride. The bride was given in marriage by her father.

The wedding march was played by the organist, Curtis Sayce, and the soloist, Miss Vivian Hunt, sang "O Perfect Love" and "The Lord's Prayer."

The bridesmaids wore matching costumes of yellow nylon chiffon with matching shoes and petal hats. The maid of honor wore aqua with matching shoes and petal hats. All

JAYCEE EGG HUNT HAS
LARGE TURN OUT

More than 100 laughing and enthusiastic youngsters turned out for the Easter Egg hunt at the Primary School on Saturday afternoon.

More than 400 eggs had been placed around the grounds by members of the local Jaycees. Scavenging youngsters waited eagerly for the word "Go." When it came they were off to fill their baskets with any egg they might find.

The hunt ended at 2:45 with the children waiting excitedly in front of the school steps for the prizes. First prize for the girls went to Mary Cummings and Linda Carver who tied for first place.

Second prize went to Tyrene Sweetser.

Third prize was given to Kathy Merrill. Roberta Sweetser and Pammy Helms each received runner up prizes.

For the boys first prize went to David Crockett. Second prize to Scott Annis. There was a three way tie for the third prize and each boy received a prize. The boys were Mike Immen, Wayne Bean, and Lincoln Piske.

The Bethel Jaycees were congratulated on the orderly manner in which the affair was conducted. To them we say "A job well done."

The Easter Egg Hunt will be a yearly project of the Jaycees. Next year it is planned to include all grades in the fun.

Easter eggs and prizes were donated by the Bethel Jaycees, Harvey's Restaurant, Fox Barber Shop, A. & P. Store, Bryant's Market, Shaw's Market,

The Whitehall, Wis. Times: Millions of citizens just don't seem to connect ever-growing government with ever-growing costs and taxes. They seem to think that the government can do the impossible and give us much for nothing. So long as that blindness is prevalent, the pressure on the government to spend and spend and spend, and tax and tax and tax will be virtually irresistible.

GOULD SENIOR PLAY TO BE PRESENTED APRIL 29

Local Gould alumni and Bethel citizens for whom the annual Academy Senior Play brings back fond memories of their own participation in years gone by and who have made it a habit to attend more recent productions will find a full evening's entertainment in the current effort, "Wake Up, Darling," whose curtain rises promptly at eight on Friday evening, April 29.

Local cast members include Lori Cole, whose forte is comedy and who gets plenty of opportunity to garner laughs in the role of the family maid; Sue Saunders, as the glamorous much-married Gloria, this being Miss Saunders' first appearance in school dramatics; Barbara Mundt in a brief but climactic role of a visiting mother-in-law, which brings down the curtain with raucous laughter; and Mike Hathaway, whose booming

voices and majestic stage presence are perfectly suited in the role of a pompous business man.

The doors will open at seven, with all seats on floor and in the balcony on a first-come, first-served policy. To those a bit weary of TV, a refreshing change is offered by a well-drilled, nearly professional group of Gould students who have been working hard and long to perfect this highlight of their senior year.

MAGAZINE SEES HIGHER
PRICES IN HOUSING
PICTURE THIS YEAR

Money Is Available
But Interest Is High

Higher prices and high interest on borrowed money are the prospects facing home buyers this year, according to Changing Times, the Kiplinger Magazine. Although the number of houses built will be fewer than in 1959, the editors of the magazine foresee no shortage for 1960.

An article in the current issue of the magazine states that this year will see something like 1.2 million new houses built, as against 1.3 million in 1959. This total would make 1960 the fifth best housing year in the past 20 years—only in 1950, 1954, 1955, and 1959 did the number of new homes top 1.2 million.

The price forecast is about 3% higher than last year, with nearly every cost component on the rise. In a single day recently, the article notes, 4% price hikes were announced for asbestos-cement siding, mineral wool insulation and glass fiber insulation. In addition, there are increases in the cost of acquiring well-located land and developing it.

The editors found that many local governments have upgraded standards for streets, lot sizes and community facilities. The lofty new standards usually are desirable, but they are expensive.

There will be money to borrow, but the price will be high and the lenders will be choosy. The article points out, for instance, that savings and loan associations are empowered to make loans in excess of 80% of the appraised value of a house, but not many borrowers have talked them into it.

Interest rates on mortgage money are higher than they have been for 30 years. GI loans bring 5 1/2%; with their 1% of 1% insurance they come to 6 1/2%. The little FHA loans of \$8,000 or less carry an additional service charge that brings their effective rate to 6 1/2%. For conventional loans, the interest rate is anywhere from 6% to 7%—the lower rate is prevalent in the East, the higher rate common in the South and West.

The high interest rates, the editors note, mean a real pocketbook worry. The monthly payment on a \$15,000, 20-year

loan at 5 1/2% interest is \$103. For the same loan at 6 1/2% the monthly payment is \$112. Total interest payments over the life of the loan are \$2,067 more, \$11,825 as against \$9,758. To beat the high cost of borrowing, buyers are advised to borrow less, borrow for a shorter term, or both.

On the whole, the editors conclude, this is not a particularly auspicious time to buy a house unless the need is real. But if a change is genuinely needed, there is little point in waiting. The good 1960 house is as good or better than any ever offered the American family. No technological development is in sight that will make today's houses obsolete tomorrow. More important, nothing revolutionary is on the horizon that will make houses cheaper in the years just ahead.

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Thursday, April 21

Read I Corinthians 15:20-28

And what is the exceeding greatness of his power to us-ward who believe, according to the working of his mighty power, which he wrought in Christ, when he raised him from the dead (Ephesians 1:19-20.)

In his play, The Trial of Jesus, John Masefield describes a scene between Pilate's wife and the Roman soldier who reported that the tomb of Jesus was empty. Excitedly she asked him, "Do you think He is dead?"

"No, lady, I don't," he replied.

"Then where is He?" she inquired.

"Loose in the world, Lady," he answered, "Where no one can stop His truth."

This is God's declaration to all the forces of evil. Jesus of Nazareth has broken out of earth's prison! Christ has triumphed over sin, death, and the grave! He lives today!

The resurrection message brings hope to the Christian in this dark day. Christ's mighty power within us makes us conquerors over every temptation, sorrow, or loss in this present world. Moreover, He gives us immortality!

PRAYER: Full 'us, O Father, with Thy mighty power that we may be more than conquerors through Thy love. Help us to recognize Thy constant nearness to encourage and guide us always. Make us triumphant, through the power of our living Lord, in His name. Amen.

**ECONOMY
PROVED
IN MOBILGAS
RUN!**

A pair of Corvairs recently recorded 27.03 and 26.21 miles per gallon in the 2001-mile Mobilgas Economy Run. That's certified proof that Corvair skimps on gas costs. It saves other ways, too. Corvair is the only U. S. compact car that never needs antifreeze or costly radiator repairs. Come in and drive the compact car that outdoes them all.

Things Corvair gives you that America's other compact cars can't:

Practically flat floor... real foot room for the man in the middle. Fold-down rear seat gives 17.6 cu. ft. of extra storage space. Four-wheel independent suspension for a smoother, flatter ride. Rear-engine traction... that comes with the engine's weight leaning down on the rear wheels. You probably realize already that the mileage figures Corvair recorded in the Mobil-

gas Run are higher than the average driver can expect. But because the cars met every kind of driving condition—rugged mountain grades, long country straightaways, congested city traffic—those mileage figures prove Corvair's inherent ability to save. Operating costs take a nose dive the day you take delivery of a Corvair.

LUCIEN J. ANDREWS

Albany has lost its oldest resident, a much respected man, Lucien J. Andrews, commonly called "Lute," passed away Thursday morning, April 14th, after a long illness.

His course on earth is run. May it be said, "Well done. Be thou at peace."

"Lute" was born at Stow in the so-called Stone House, November 5, 1868, one of several brothers and sisters, the son of Edgar Andrews and Leucinda Cummings Andrews. His early boyhood was spent in Stow. Later he went to Andover, Mass., where he learned the carpenter trade.

In 1890 he came to Albany where he met and later married Bertha Hazelton. They were united in marriage at Bethel by the Rev. Israel Jordan on May 1st, 1894. He and his bride settled on the one hundred acre farm in Albany which they purchased from Lucien Johnson, and have made their home there for nearly 66 years. Of their three children, Roy died ten years ago; Iva (Mrs. Albert Keniston) lives in Portland; and Ray and his family live next door.

"Lute" worked hard at farming, arising before dawn to have his chores completed and his cows in the pasture by sunrise, and was ready for a full day's work.

Bertha was a famous butter-maker, and they delivered 25 to 40 pounds of butter each week to customers in the nearby towns. They carried on this business for over 40 years and never missed a week's delivery. They also delivered eggs from their large flock of hens.

"Lute" always drove a Model-T car, and had a driver's license until a few years ago. He and Bertha were a familiar sight when they went to market every week in the Model-T.

In spare time from farming "Lute" pursued his carpenter's trade, both in the construction of new buildings and repairing and remodeling the older ones, and his work was always of the best.

Always interested in community affairs, he served as selectman of Albany for many years, and never a Circle Supper was held without "Lute" and Bertha being present to do their full share of work.

As a neighbor he was one of the best, always ready to lend a helping hand wherever needed. They had a happy and cheerful home, and guests were always welcome.

"Lute" had a keen mind and good memory and was often consulted on the ancient history of the town. If any question arose, everyone said, "Go ask 'Lute,' he will know." And he always did, recounting many incidents made more interesting by his strong sense of humor.

He is survived by his wife who is in ill health but still lives at the old homestead. Private funeral services were held at the house Saturday afternoon with the Rev. Hilda Ives, the Rev. Wilbur I. Bull, and Charles Schleich officiating.

In memory "Lute" will remain with all who knew him, the alternate.
